

Regathering Team Update

August 27, 2020

In-Person Worship

In late June, the Regathering Team decided Christ Church should continue worship on-line only, and that the Team would Zoom again in mid-October to reevaluate that decision after schools have been open for six or so weeks, based on the most current health data. Last week, the Team checked in with one another and reaffirmed that initial course of action. Although we long for the fellowship of in-person worship, our virtual worship is what love looks like for now. Please contact any member of the team or Nick with questions or concerns.

Regathering Team: Joe Barr, Abbey Carr, Brian Mukherjee, Annie Russell, Nancy Stern, and Nick Morris-Kliment, Rector

Renters Update

We are sad to announce First Bridge has closed. After 23 years operating the wonderful preschool, Amy and Jill are retiring. We wish them well on their next chapter! Total Eclipse Dance Studio is offering a reduced in-person class schedule and virtual classes as well. Nick and the Property Committee continue to work closely with the other renters, as well as community groups (12-step, Scouts, etc) to determine how and when they will return to the space.

The Office is Open

The church office is open and operating on its usual summer schedule (M-Th, 9am-1pm). If you have church business, please ring the new doorbell at the Rosemary Street entrance and we will let you in. Please give us a moment to get to the door. All visitors are required to wear masks and sign in.
